Education Administered in a Godly Living Environment

Statement of Faith:

- The Bible is the inspired and infallible word of God. It is never wrong and never contradicts.
- God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ, born of a virgin, is God and has come in the flesh.
- Man is, by nature, sinful and is inherently in need of salvation.
- Christ's death provides atonement for those sins. He rose from the dead in the flesh.
- Salvation is offered as a free gift to all sinners. This gift must be responded to by individual faith, not trusting in any personal works, but only in the death and resurrection of Christ alone.
- Children are a heritage from the Lord, entrusted to parents to train up in righteousness for His glory.

Our association and leaders are guided by these principles.
